Micronized BPO Gel Cleanser 5% Beta Enzyme Cleanser Revitalizing Cleanser

through 8/24

Cleansing your skin is like starting with a clean canvas. This month we are featuring our three New Life Aesthetics cleansers. All of our cleansers are formulated without parabens or sulfates. Our most popular Beta Enzyme cleanser, is gentle enough for daily use. It delivers skin brightening benefits to all skin types. Our Revitalizing Cleanser is hydrating and gentle. It contains 11 botanical essential oils and extracts to cleanse, condition, invigorate and revitalize sensitive skin leaving it soft, smooth and supple. Lastly, our Micronizing PBO Gel Cleanser is a Benzoyl Peroxide cleanser that eliminates acne-causing bacteria on contact. It acts as an antimicrobial agent, to clear skin and prevent breakouts. Don't miss out on our 20% discount throughout the month of August. All skin care consultations are complimentary for existing clients. We also ship! Call us today at 919-521-8282.

Age Defying Lips

Lip Enhancement with Volbella and SKINVIVE

Before

After

Renew your confident, beautiful smile by adding subtle volume and taking away those pesky lines around the mouth. This client wanted a smoother, natural look, but was also concerned about the lines above her lips. Meredith used Juvederm Volbella for this rejuvenated lip enhancement. She added Juvederm SKINVIVE to reduce the lines around the mouth. Juvederm SKINVIVE hydrates from the inside out. It helps the skin retain its natural moisture and softness while improving the skin smoothness. Call today for your appointment 919-521-8282.

BENEFITS OF NIACINAMIDE

New Life Aesthetics

A skin care ingredient that has been making waves in the aesthetics industry is Niacinamide. Whether you are looking to enhance your regimen or address specific skin concerns, Niacinamide offers a multitude of benefits for healthy skin. Niacinamide is a powerhouse ingredient that is also known as Vitamin B3. It works to visibly improve the appearance of your skin and fight signs of aging. It reduces inflammation and redness, minimizes pores, improves the skin barrier function and regulates oil production. Niacinamide has also been proven to even skin tone, diminish fine lines and wrinkles and enhance hydration. We offer seven different products with Niacinamide in our New Life Aesthetics medical grade skin care line. Let us help you customize and incorporate Niacinamide into your skin care routine. Call us today 919-521-8282.
