Disappearing Dark Spots

BBL™
BroadBand Light

Before After

Beautiful results after a series of BBL treatments.

New Life Aesthetics

It's not too late to tackle unwanted dark spots with BBL. As we head into Spring, there is still time for your skin rejuvenation journey. This client received beautiful results after a series of BBL treatments. BBL stimulates your skin cells to regenerate. It improves skin tone, texture, elasticity and pigmentation. This powerful treatment works to reverse and delay the signs of aging and sun damage. It helps diminish fine lines, age spots and acne. BBL can also serve as a preventive treatment to maintain your skin's youthful appearance. Call today for your appointment 919-521-8282.

Sculpt and Save!

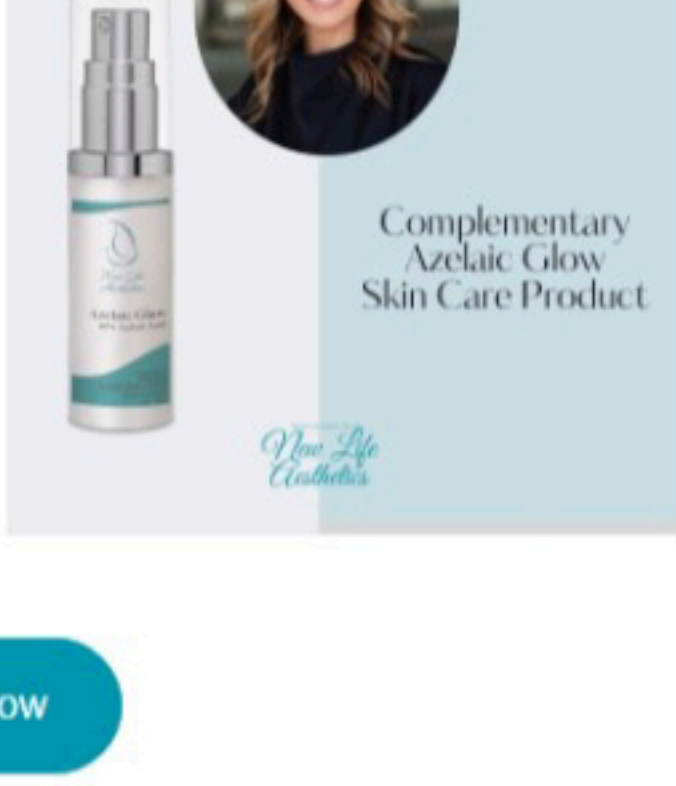

The Secret is **coolsculpting ELITE**

Lucky you! We have an exciting offer to help you reach your summer body goals. The first TEN lucky clients to book CoolSculpting Elite will receive four cycles for \$1499. That's an \$800 savings! Treatments must be completed in April 2024. CoolSculpting Elite uses advanced cold technology to target and eliminate stubborn fat cells, giving you a sculpted and toned appearance. With the dual applicators, you can treat multiple areas simultaneously. Our team will customize a plan for your specific concerns and goals. CoolSculpting Elite can target nine different areas on men and women, resulting in a 25% reduction of stubborn fat in the treated areas. Book your consultation today 919-521-8282.
