

# Porefaction Booster

## RECOMMENDED SKIN TYPES

## DIRECTIONS FOR USE

- Apply a few drops onto a cleansed face. Layer with other treatment products and follow with moisturizer. If using during the day, use a broad-spectrum SPF 30 or greater. Use up to twice daily or as directed by your provider.

## INGREDIENT HIGHLIGHTS

- Niacinamide 20%, Acetyl Glucosamine, Piperonyl Glucoside, Vitamin C, Green Tea Leaf Extract, Licorice Root Extract

## DESCRIPTION

Our revolutionary skincare formula is designed to tackle a multitude of skin concerns. Our unique blend of potent ingredients targets enlarged and clogged pores, irregular skin texture, blackheads, dull skin tone, and the dreaded orange peel effect. Infused with Niacinamide and Vitamin C, this formula brightens your complexion, evens out skin tone, and refines texture, giving you a smooth, radiant glow. Green Tea and Licorice Root Extracts provide powerful antioxidants to fight free radicals, while Acetyl Glucosamine and Pentylene Glycol hydrate and plump the skin, reducing the appearance of pores. Gentle yet effective, this product is your ultimate solution for a clear, vibrant, and flawless complexion.

## BENEFITS

- ✓ Reduces the appearance of enlarged pores
- ✓ Visibly brightens the skin
- ✓ Improves the appearance of overall texture
- ✓ Reduces the appearance of bumps and roughness
- ✓ Visibly improves overall skin tone
- ✓ Reduces redness
- ✓ Helps control oily skin and prevent the buildup of excess oil
- ✓ Soothes irritated skin
- ✓ Strengthening the skin's barrier to maintain moisture levels
